Water Loading Stands

- *Extension Kits
- *Custom Fittings

Water Loading Stands

Lake Company portable loading stands are uniquely fabricated from heavy aluminum tubing. The entire water loading stand can be easily transported on a pickup truck and quickly assembled by one-person. When in use, the large fabricated base fills with water, giving the J-Stand great stability.

Product Ordering Guide

- 4" Water Loading Stand - Lake P/N 710834
- 6" Water Loading Stand - Lake P/N 710836
- 8" Water Loading Stand - Lake P/N 710838
